

**THE HONORABLE MINISTER LOUIS FARRAKHAN'S MORNING MEETING WITH STUDENT
MINISTER ISHMAEL MUHAMMAD, SHURA EXECUTIVE COUNCIL MEMBERS, STUDENT
REGIONAL MINISTERS AND RESEARCH TEAM MEMBERS**

Monday, Feb. 23, 2026 | Marriott Hotel Suite | 70th Floor

**[Note: The following are notes typed via the iphone notes app by Brother Abdul Qiyam
Muhammad]**

I was angry. I was angry at the world that we could stand by for the suffering of our brothers. Hurt me to think that we would follow Islam, fast and not have empathy for our brothers and sisters who are suffering.

We fast and feel the pain of those who feel hunger. So I was angry and I wanted to say some of the persecutory prayers of David. Then I said, "You can't do that. Allah knows when..."

HE is happy to know His servant is feeling as HE feels. HE Is Angry.

Seas and waves are roaring... "Thy Wrath is Come..."

Synagogue of Satan is really working hard in the closing days of their life and work with the thought to take all down

You should not think you know the way.

You should think that Allah knows the way and put yourself close to Him that he will help us ward off Satan's desire

I was hurt that they're doing this to our brothers and sisters with very little compassion coming from Mecca.

Could this be the time there will be a NEW QIBLAH?

It's (Islam) is a beautiful world but riches and grandeur has been negative in their responding properly

You can have money to be able to sustain your life but you should not boast in your ability or the granting of substance without thinking of those less fortunate.

So Ramadan is to put us in the right mind and spirit to come away from Ramadan to be what the God of Ramadan is making us to be for the sake of Islam and those who suffer.

Yesterday was a wonderful day.

He (THEM) wanted me to introduce you (Bro. Ishmael). He (THEM) was so smooth with it (in instructing THMLF) like "I want him to feel it but not shout at him"

He wanted me to introduce and represent you (Bro. Ishmael)

You did it great but you got it in your notes. In those notes, if parsed, they are the work of The Nation going forward.

Young and old y'all get busy studying the Lessons of Supreme Wisdom that HE gave to us all.

I want you to know that we have not respected the Lessons in our hand. It's not negative but is saying what has crawled up into us making us to think we know.

If we are the know-not Nation we will never be the do-something Nation.

If I'm on my way to be with My Father someone has to be left to care for His Nation that He gave to Elijah Muhammad. If you don't believe it you'll never really see it.

THEM to THMLF: "What I have given you is just a wake up message." But if you're asleep, you're not fully awake.

If those who supposed to be awake go back to sleep, Satan wins.

Jesus was in the last hour of his life among us and was in the garden praying.

I'm already in Sajdah. It's just a sign to remind you Allah Is Great, not what you're falling back to.

The Adhan is designed to wake us up because it's Fajr.

Prayer is better than sleep but sometimes that sleep is better than prayer. (*Laughs)

I want to give you something and leave you with something.

*To his son who left his side momentarily: "You better keep your attention where it belongs unless it's an emergency with Khadijah."

*To his son when he mentions to him about others waiting: "No one will interfere with us."

He is NOT the same Ishmael you thought you knew.

I've known him (Bro. Ishmael) practically all his life and I have never seen him cry. Recently he's been praying a lot, crying a lot and thinking a lot. Been thinking about his father, his children, his wife and our Nation.

Brother Arthur (THMLF's barber) showed me a picture of my brother (Carlos) Santana. He had a bouquet of flowers all white and one red that stood above the other flowers. And he gave me something to read...

If you come to the Qur'an and come not in the right mind and spirit; this is your walk and talk with God. And you have to approach the Qur'an like the book is him; your meeting with the prophet.

You're not wrong to love and long Muhammad Ibn Abdullah. But you're wrong when you leave what The Saviour came with to put us far and beyond.

You're called to be the champions of Islam, not just recite the beautiful prayers.

I wanted to come to Jumuah prayer but I was exhausted. I wanted to but I was overruled (by family). Watching it is not like being there. To be in the midst of those who worship is to sharpen your worship. I missed that opportunity but I got it. I was to study it.

What is the root and depth of your prayers? What are you hurrying for? You got to Praise Him. You got to FEEL Him when you say it. A man came 9,000 miles and showed us love unlike any human being showed us.

So when we're talking to Him and about him, we should FEEL it. The singer gets lost in the words so you can FEEL it. No one is more worthy of this time to receive Praise.

When that ALLAH-U-AKBAR is supported by a heart and a mind and a hand...

Never could have made it. Look how far He has brought us. I don't have focus on anybody else.

You got to live this religion. We can't talk it up. We can't science it up. Got to live it.

The difference in this Ishmael and in the Ishmael you thought you know, when he says it, he FEELS different. He knows Him more.

This is NOT the Ishmael of yesterday year.

"Come to prayer. Come to success."

Muhammad is the Eternal door to God. I did not know that about Prophet Muhammad but I realized that man is the doorway to God. Not the doorway to Master Fard Muhammad because he didn't know Him. But his faith in the God that he knew was great enough to get a nation going.

MASTER FARD MUHAMMAD WILL BE GOD FOREVER.

Call to prayer sounds from someone's phone app

We're praying...You have to stop (when the call to prayer is made) what you're doing because it is not of worship.

We're praying now because we're praising.

The wisdom that He is releasing to us, He hasn't even released it to us yet. We haven't responded to the wake up message.

How do you teach people who are not awake? When you're awake you're alive.

Can't come alive sleep or even half asleep or not concentrating on what you're saying... How long you go pray like that? Without conscious? Without DELIBERATE focus on Him?

He wants us to FOCUS on Him. "I came to North America by myself."

"Brought over here by the trader..." Master Fard Muhammad is not a trader but He is the Lord of all your business.

You want success you got to give your life to Him who came to make you successful.

What is success? What is the meaning of civilization? Why don't you have it?

You're good at what you do but not good enough. Don't get beside yourself...that's Satan talking

I didn't hear His (Elijah) Voice saying "get up and go introduce Minister Ishmael" but Santana gave me something that I didn't see the value of until yesterday.

"You are the Archangel of The Most High"—Santana to THMLF in note

He (Elijah) sat me down and that's when I begin to review my lectures. My son would come and say "Dad you should see this..." I froze in my chair looking at that man. (Watching himself preaching on videos)

The real greatness is when you shut up. You'll find God in your solitude.

We know the prayers but we got to LIVE them. Living the song is better than singing the song. But when you live it and sing it, you can feel the vibration.

I am the archangel. Who is Michael? Commander of Lord's Army. That's so deep.

There was a pause in the barbershop yesterday and I took a sip of water... there's energy in this that I need to bring out the energy of The Word.

You'll never be a great preacher if your heart isn't pure.

Were there homosexuals in Detroit when Saviour? We've been so judgmental, Satan blocks us from our work. Satan blocks you from your Labor by thinking you don't have to go after people.

He studied for 42 years to deliver us from sin.

Santana used the word **Transmogrified** ...molecular structure...

He used a word I didn't know the meaning of. His son read the definition.

After hearing the definition of **Transmogrified** he got up to go to Huntington Place to introduce Bro. Ishmael.

Unless a man is properly introduced, you not go hear him.

THEM to THMLF: “Brother, don’t worry about where you are in the scripture....” That’s vanity.

THEM to THMLF: “You make my Great Commission known and I will represent you to the people.”

Bro Sa’ad been sending me letters for years to get me to see myself. I would read it , put them away and then peak back at them. (*laughs)

Study Transmogrified. Sounds like the transfiguration. (Definition read)

I want to leave you with something you won’t easily forget.

Jesus was transfigured on the mount. Two places set for Moses and Elijah

“Surely he is the Son of God.” I thought he was The Son of Man? What happened?

The Son of Man is produced by the longing of men frustrated.

I came to the auditorium. I didn’t know I was late like that. (Said he thought when he arrived Brother Nuri would still be raising charity.)

THMLF to Bro. Nuri: I could tell by the weight of the box, you didn’t get a lot.

Bro. Nuri mentioned that his time was cut short and THMLF replied, “If your time was cut short, they didn’t want you to get more money”

This was a different Saviours' Day to send you forward.

I showed at the time he was introducing me by the design of God on what was about to happen yesterday

When I walked in the people screamed. Was I in chair? I walked in to get him and embrace him. And thank him for loving The Saviour, His Father and me.

He (Bro. Ishmael) calls me Dad.

The Messenger put us all together one day... Mother Tynnetta was called to the piano.

“She’s the winner and all her children.”—THEM to THMLF regarding Mother Tynnetta

He told all of the wives they were Aishah knowing only one would be it. She (Mother Tynnetta) read the Qur’an completely once a week. She was a serious woman.

He sent me where she was. “She wants to ask you about music.” Described that when he got to the home, he didn’t see nobody. Mother Tynnetta is a beautiful woman. He (THEM) wanted to see what is in me being around his woman.

You don’t like your wife that’s too bad. You don’t know how to dig deep enough. You looking for something else and find you’ll have hell on your hand.

I was so frightened (being at the home with Mother Tynnetta) because that’s deadly to play with another man’s wife.

Said he answered her question about music and got out of there. Went out the back door and Bro. Ahmed was on stoop. Said Bro. Ishmael was upstairs but he didn't know it.

I passed a test and then he put me in front of the (MGT) class. That's why I have so much respect because I respect the sisters.

Your final examination is before who? ALLAH!

What were you trying to be the whole time under study? A Laborer.

The first examination is with the Apostle. He doesn't know you like Allah but he knows you.

We're not to follow the Arabs. We're not to do things to impress them.

Master Fard Muhammad is our Lord and Saviour and He is The Teacher of our teacher.

He didn't study for 42 years to put us under them.

I never performed Salat with The Messenger. We stood up. We stood with our feet at 45 degree angle.

Everything of the old world is going to be done away with. The only thing that will be left is the principles. What is a principle? (Definition read)

You (Bro. Ishmael) were beautiful son.

The new message will carry you into the future.

Why would He (THEM) have to represent me? Because He is the only one who knows me.

To student ministers: You haven't represented me because you don't know me. You can't represent me if you don't have the character. I'm not a liar. I'm not a thief.

You got to know me from those levels God has took me to. (Cites Surah 53)

He (THEM) has no companion. He's God now.

It's The Messiah and The Mahdi that will cut gravity to bring fire down.

I didn't know HE (MFM) brought two hats for Two Men.

Don't take prophecy for history.

If you think of me on your level, you'll never know me.

I am The Star.

I just want to be a good brother. I never lauded myself over you.

This is not for public. This is just for you.

In 1931 MFM met Elijah. By 1932 he was under MFM's tutelage. MFM was teaching Elijah. Do you think he didn't pause to think on what he heard (from MFM)?

What was MFM doing when He wasn't teaching Elijah? I was in my mother's womb. He saved me. Who fathered me?

THEM to THMLF: "Allah made you for me" How long was that process?

I came in the door at the end of 400 years in 1955. Who walked in? I AM BEING MADE A GOD!

Does MFM have an equal? But he made Elijah all up into Himself. Can you see a fusion that has taken place?

"They are coming after me in him (THMLF)"—THEM to Minister Jabril in his experience

I don't need notes but I don't want you to do that.

See the humility in divinity

My brother Ishmael has gone through a metamorphosis. Deepening his love for God, His Father, His Brother and his people.

Don't look at the Ishmael of yesterday. God is making a man right in front of your eyes. He's making a man. And he's making you into Himself.

If you will be patient with your suffering, you'll be making steps toward being made a god.

Sometimes you see the love people have for me and you *makes frowning face* I'm just your brother but your brother to show you where you're going if you stay on point.

MFM said we would be a perfect ruler.

To Brother Troy: I was so ashamed I didn't say your name. Brother Troy responded, "You saved my life".

I don't ever not want to say thank you.

This was the greatest Saviours' Day. Your presence made it. Your words in the plenary and workshops.

Sister Tasha Smith (actress) said there's nothing like she experienced at Saviours' Day. She kneeled.

Janet Jackson was there. And they (her and Bro Mustapha) are interested in each other. She might not be a MGT in your mind but when you get to know her, she's a magnificently beautiful human being. She's loved by people all over the world.

Bro. Hakeem (Europeon Region) brought two whites and THMLF met them.

Woke up with the thought in mind: "Oh Allah help to get this bill off of them" (*Note: I didn't know if he was referencing the mosque in London or Houston because he called kept calling Bro. Haleem and Bro. Hakeem*)

I wanted to meet those two White ladies (Farmer Courtney and Sarah Rose) preaching about The Big Three.

To Brother Troy: The mayor and police hierarchy had coffee with me. They had a lot of good words to say about you and Mosque No. 1

When my Messenger came to my effort in Boston He said. "This is the most loving mosque in the nation."

I don't just say I love Muhammad. I want everyone who hears my lips to love Him.

THEM to THMLF: "I didn't make you." Most hurtful words

He started giving me teaching in my growing power

Cites Table Talks when THEM said of THMLF that he could see with his Spiritual Eye.

I've been trying to listen to what people around me saying.

You are the best. You are the righteous. You are the powerful. But your power is locked inside of you and when it is unlocked it will be unlocked by The One Who has the keys.

I hope we will be of those who pass His Test.

Love your brother and love yourself more so you can love him as you love yourself.

You all together are going to do great work.

If I am blessed to go The Wheel, there's 10,000 more years left to this cycle.

MFM gave The Messenger a book all written in Arabic. The Messenger said, "I can't read."

MFM to THEM: "When you learn the Arabic I will give you a Qur'an written in my own hand."
What did HE write?

He (THEM) said he's going to reveal the new teaching through me.

If He (THEM) didn't make me and God made me, then who am I to him and to you?

Mentions the word Transmogrified again and its definition

Then I could see what The Messenger was trying to teach. But I had to accept my own before I can be myself. You're seeing it in this meeting. This is revelatory.

I hope I'm still on the invitation list to go back to The Wheel. I'm a cry baby so I don't know how I'm going to act.

You can't make the people other than what you are. You want them to love your Lord you have to love Him.

Thank you for your presence.

HE sent me to introduce my brother (Bro. Ishmael).

To Bro. Ishmael regarding his wife: She fell in love with you all over again. (Regarding what he saw Sunday)

Farrakhan and Muhammad families are becoming ONE.

Think on how to be the **UNIQUE** NATION.

Have a peaceful ride home and TEAR IT UP IN HIS NAME.

Nothing else to do but to do it.

Mentioned Nate King Cole song “Nature Boy”
